

Graphic Design

A design team is also available to turn your ideas into reality. Alternatively, if you're looking for a fresh change or new ideas, let our creative team draft some new designs for you

Our preferred format for images is either Vector EPS or Adobe Illustrator AI files. Photoshop or PDF files are also acceptable depending by the sign method to be used.

Pricing: \$50 per hour plus GST

Formats

Other formats may be accepted depending on the method of signage and detail of art file, please contact us and we'll advise accordingly. A Re-design fee may apply for artwork that needs to be designed to a suitable format, the artwork fee is charged on a time basis to get the artwork to a suitable level required for decorating.

Re-Design Fee: \$50.00 per hour plus GST (for simple artwork, fee may be waived)

Vector File

- For vector files, we require all artwork to be converted to curves or outline

Rastor File

- 300 dpi minimum for printing image
- It's hard to tell exact spec for the artwork resolution as it varies and depends on the artwork content, actual size and artwork program used

Sending Artwork

Please send your artwork to signs@trixle.com.au if it is under 5mb in size. For files larger than 5 mb, please supply artwork on a CD and send it to 1 Smidmore St, Marrickville NSW 2204.

Colours

Please note PMS or CMYK colours on your designs, we will endeavor to match your colours correctly however not all decorating service can match this exactly. We will advise this accordingly.

Please note:

- percentage of PMS colours should be avoided
- Every colour output mechanism produces a different range of colours and the original image that appears on your print devices, please be aware that material will each render the colour differently from our output devices or materials

Fonts

Please make sure all fonts in artwork are converted to outlines or curves to ensure the correct designs are created.

Artwork approval sheet

All artwork needs to be approved and signed prior to the commencement of manufacturing and installation.
